

SAFETY REGULATIONS IN WUT DORMITORIES DURING COVID-19 EPIDEMIC THREAT

General

1. All persons staying in student dormitories hereinafter referred to as "Residents" shall read and follow the procedure "Safety regulations in WUT dormitories during COVID-19 epidemic threat".
2. Principles regarding the proper use of the premises during the epidemic are displayed on notices placed in Student Dormitories.
3. All persons entering Student Dormitories hereinafter referred to as "SDs" shall duly disinfect their hands. Bottle dispensers with disinfectants are available near the entrance to the building.

Using communal areas

4. A limited number of social gatherings in SDs are allowed (social, integration, family, educational, etc.). The number of people allowed to attend such gatherings shall be specified by the Manager of SD in agreement with the Council of Residents.
5. Visitors to SD are allowed from 8 a.m. to 10 p.m., in compliance with the provisions of the Rules and Regulations for Visitors.
6. Sleepovers and staying after 10 p.m. are allowed in compliance with the provisions of the Rules and Regulations of a Student Dormitory.
7. Every visit to an SD shall be entered in the check-in/ check-out register.
8. The invited visitors shall be collected personally by a resident from the reception area and shown to the door after the visit is over. The resident inviting a visitor shall be responsible for their stay and following the effective procedures.
9. In the event of any of the residents or the Council of Residents objecting to a visit, the visitor shall not be allowed to visit the dorm.
10. Before entering an SD, all visitors must have their body temperature measured. If the temperature is higher than 37⁰C, the visitor may not enter the SD.
11. Rules of social distancing shall be followed. When using communal areas, please keep a safe distance of at least 1.5 metres and wear a mask covering your mouth and nose.
12. Communal spaces such as quiet study rooms, luggage storeroom, TV rooms, snooker, and table-tennis rooms may be used provided that sanitary restrictions which are currently in effect in the Republic of Poland are followed. Ballrooms may only be used as meeting rooms. The final decision regarding communal spaces shall be taken by the Manager of the Student Dormitory in agreement with the Council of Residents.
13. Residents of SDs shall purchase personal protective equipment on their own.

Employees

14. To limit direct contact with employees, electronic communication, email, and phone use are preferred forms of communication.
15. Employees of Student Dormitories shall limit meetings and internal sessions to an absolute minimum.
16. Every effort shall be made to keep the workstations clean and hygienic.

Administrative issues

17. If possible, administrative issues such as checking out students should be arranged with the administration of SDs via phone, email, etc. If it is impossible, personal contact shall be arranged with the SD Administration by phone.

Rules of conduct in the event of infection

18. If any disturbing symptoms implying Covid-19 infection occur, please immediately contact your GP or any other appropriate entity following the current regulations regarding that matter. Instructions and orders shall be strictly followed.
19. Any resident who is required to self-quarantine or self-isolate in connection with Covid-19 shall immediately notify the SD Manager on the quarantine length. The SD Manager shall coordinate further actions and shall transfer information by mail to powiadomienia@pw.edu.pl and inform the Chairperson of the Council of Residents about any quarantined persons in the Student Dormitory.
20. Governmental guidelines and recommendations for the SARS-CoV-2 epidemic issued by the Chief Sanitary Inspectorate and other entities shall be followed in any case.

Other regulations

21. To all matters unregulated herein, provisions of WUT Rector's Regulation No. 104/2020 of 30 September 2020 on the activities at WUT during the COVID-19 epidemic as of 1 October 2020 shall apply.
